TODAY'S SPECIALS

A little about us and a breif history of how we started.

2 Pancake with Caramel

If you are a fan of caramel cake, then you'll love our Pancake with caramel icecream. It's not thick, but very tasty.

FOURSQUARE

“

You might not find dragon meat on the menu, but you'll find pretty much anything else that walks, swims or flies, cooked up in more ways than there are people in the Guangdong province. This Midtown mainstay has a 20-year history of delivering mouth-

watering and Cantonese style chow.
